

To copy a single map marker into your own presentation, single click a marker and use the keyboard shortcut CTRL+C to copy the marker to the clipboard. Use CTRL+V to paste the marker onto your slide. To select multiple markers, either hold the Shift key down while selecting many markers with your mouse or press the left mouse button and hold while dragging a window around multiple markers. Use CTRL+C and CTRL+V to cut and paste the markers into your presentation. If needed, markers can be ungrouped and edited.
